PROFESSIONAL SUMMARY

Retired Infantry Major with over 10 years of leadership in administration, human resource management, security operations, and compliance enforcement across military, United Nations, and multi-agency environments. Proven record of running full-scale unit administration for 600+ personnel, leading 700+ disciplinary, fraud, theft and security-breach investigations, and directing physical security, access control, CCTV surveillance and VVIP protection programmes. Experienced in policy enforcement, welfare and discipline management, statutory and regulatory compliance, vendor and logistics coordination, and liaison with law enforcement, intelligence agencies and international organisations (UN, UNDSS, UNHCR, WFP, WHO, Red Cross). Certified in ISO 27001 Information Security Compliance, Security Risk Management (SRMP-C) and HR for People Managers, with ongoing Master's studies in Criminology & Criminal Justice and Cyber Security. Combines this operational background with hands-on technical capability — building and running open-source risk-intelligence platforms in Python, PostgreSQL and Power BI — bringing disciplined leadership, data-driven judgement and a strong compliance mindset to senior administrative and security management responsibilities in corporate, industrial and institutional environments.

CORE COMPETENCIES

- **HR & Administration:** Manpower planning, personnel records, postings and transfers, disciplinary procedures, welfare and grievance handling, training and development, performance oversight
- **Compliance & Governance:** Policy formulation and enforcement, regulatory compliance, audit readiness, ISO 27001, security governance frameworks, standard operating procedures
- **Security Operations:** Physical and factory security, access control, guard force supervision, CCTV and surveillance systems, incident response, emergency and crisis management, VVIP/VIP protection
- **Investigation & Risk:** Fraud, theft and misconduct investigation, security risk assessment, intelligence coordination, evidence handling and chain-of-custody discipline, incident reporting
- **Risk Intelligence & Analysis:** Open-source intelligence (OSINT) collection, source-reliability grading, multi-source corroboration, threat and business-risk monitoring, management reporting and dashboards
- **Liaison & Stakeholder Management:** Law enforcement, intelligence agencies, regulatory bodies, local administration, NGOs and international organisations
- **Operations & Logistics:** Fleet and transport management, supply chain and inventory control, asset accountability, budget and resource allocation

PROFESSIONAL EXPERIENCE

Operations Officer and Adjutant (Head of Administration & Provost Operations)

Logistics Area Military Police Unit, Dhaka Cantonment | Apr 2024 – May 2026

- Directed 700+ investigations and risk assessments covering fraud, theft, misconduct and security breaches, ensuring impartial resolution and documented case closure.
- Set the unit's evidentiary standards — corroboration requirements, exhibit handling, digital evidence collection and written findings that withstood higher-authority review.
- Managed complete unit administration, including personnel records, duty rosters, discipline, welfare, and internal policy enforcement.
- Planned and executed VVIP/VIP protection and protocol operations, coordinating multi-layered security for high-profile movements and national events.
- Supervised installation, maintenance and monitoring of CCTV networks, surveillance systems and digital evidence collection tools across the cantonment.
- Enforced traffic, access control and regulatory compliance across a large secured area, reducing violations through systematic patrolling and audit.
- Designed and delivered training programmes that improved operational readiness, professional standards and compliance awareness among subordinate staff.

- Liaised with law enforcement, intelligence and civil administration stakeholders to synchronise security operations and information sharing, reconciling conflicting accounts into single defensible findings.

Company Commander, Adjutant and Quarter Master

29 Bangladesh Infantry Regiment, Saidpur Cantonment | Apr 2022 – Mar 2024

- Commanded a 139-member company, holding full accountability for performance, discipline, welfare and operational output.
- Administered HR functions for 600 personnel, including personnel records, postings, promotions input, leave, and disciplinary proceedings.
- Maintained authoritative personnel registers subject to audit by higher headquarters, with all reporting traceable to the underlying source records.
- Directed daily administrative operations, resource allocation, budgeting of unit stores and personnel development planning.
- Maintained reporting, correspondence and compliance coordination with higher headquarters, ensuring timely and accurate information flow.

Logistics Officer, Adjutant/Operations Officer & Detachment Commander

BANMP/16, MONUSCO – United Nations Mission in DR Congo | Nov 2020 – Apr 2022

- Supervised over 100 complex investigations in strict compliance with UN mandate protocols and international evidentiary standards.
- Commanded a remote detachment, managing 300+ personnel rotations, a 50+ vehicle fleet, and associated aviation and ground logistics.
- Enforced equipment accountability, technical inspection and write-off governance under UN Contingent-Owned Equipment (COE) guidelines, audited against UN registers.
- Controlled procurement indents and stock levels with UN HQ DOS and OSCM, achieving zero-stockout performance for the detachment.
- Supervised tactical check posts, curfew patrols, screening protocols and personnel inspections during contingent rotations.
- Provided VIP escort and protection and coordinated with UNICEF, WFP and UN bases to secure personnel and assets in a high-risk, French-language environment.

Quarter Master and Adjutant/Operations Officer

10 Military Police Unit, Ramu Cantonment | Jun 2019 – Nov 2020

- Managed administration, logistics and stores across the cantonment and multiple detachments in coordination with headquarters.
- Directed provost policy enforcement, complex investigations and security oversight for high-level delegation visits.
- Coordinated security and field support with international and local NGOs including Red Cross, UNHCR, BRAC and WFP in the Cox's Bazar operating area.
- Planned and executed operations to keep Main Supply Routes (MSR) secure and uninterrupted during sensitive periods.

Quarter Master and Company Second-in-Command

56 East Bengal Regiment, Chittagong Hill Tracts | Dec 2015 – Jun 2019

- Executed counter-insurgency operations from a remote camp and directed intelligence collection, source grading and written reporting.
- Maintained full unit administration, accommodation, rations, stores accounting and operational logistics.
- Sustained troop morale, discipline and readiness in a high-threat environment through hands-on leadership.

INDEPENDENT PROJECTS — RISK INTELLIGENCE & ANALYTICS

Founder & Lead Researcher — Bangladesh Crime Monitor

Independent open-source research practice · github.com/jeet42-byte/bangladesh-crime-monitor | 2026 – Present

- Built and operate a continuous OSINT pipeline ingesting Bangladesh Police press releases, ten national dailies in English and Bengali, and verified official accounts, processing 30–60 reports per scheduled run.
- Designed a three-tier source-reliability model (official releases, verified news, open social) that prevents low-confidence material from being reported as established fact — directly transferable to corporate threat and incident reporting.

Founder & Lead Researcher — BBRI (Bangladesh Business Risk Intelligence)

Independent open-source research practice · github.com/jeet42-byte/bbri-platform | 2026 – Present
